Hello All,

The status of the COVID-19 virus, contagious variants, and the vaccine situation continues to be fluid and varies state to state. Therefore, again this summer, there is the potential that we may have to change or cancel some events. We will be following the CDC and State recommendations and guidelines at all LEA events this summer and they will be “enter at your own risk”. **We currently plan to maintain the schedule below.** It is our hope that the measures we are all taking will result in a comfortable return to events. We are anticipating that we will all be able to enjoy the summer activities listed below.
