

## Elmore Planning Commission Agenda April 7, 2021 6pm via Zoom

### Attendance:

- **Bruce Olsson**
- **Glenn Schwartz**
- **Don Valentine**
- **Kate Sprague**
- **Michelle Greeson**
- **Hans de Boer**

### Minutes:

- Internet update

Elmore is looking for someone to be the main representative to the CV Fiber board as well take the point on researching if other CUDs may be able to accommodate Elmore's needs better than the CV Fiber.

- Grant Opportunities Update

Mini grant was available, but it had to be used early. The EPC has \$1100 ish dollars to put towards organizing this years 5k event which is a great start. The EPC is motivated to make the 5k happen again. The EPC will need to ask the Select Board for money if there is no grant money available. It would have to be for the May select board meeting. Bruce will be getting into contact with the timing company and see if the EPC needs to put in a down payment. If there are no grants, then there won't be as many/if any sponsored runners.

- Walking Path

There is no way to get around the one property owner that has no interest in having the path on their property. Currently at a loss of options, unfortunately.

- Round Table
  - Next meeting will be 5pm and we will meet outside unless it is raining.
  - The Elmore store situation is progressing. Full on fundraising right now.
  - LCPC wants to start on the "Hazard Mitigation Plan" in the middle of the summer.
  - The Morrisville town plan has a new version. EPC will try to review it.

**Next meeting is May 5 at 5pm. Will be held outside at the town office (weather depending).**

### **Agenda for May 5:**

- **Internet Update**
- **Grant Opportunities**
- **5K Run**
- **Walking Path**
- **Morrisville Town Plan**
