

Elmore Planning Commission Minutes

July 1, 2020

Meeting held outside of town office

Attendees:

- Bruce Olsson
- Glenn Schwartz
- Kate Sprague
- Michelle Greeson
- Hans de Boer
- Don Valentine

Discussion of Grant allocation/opportunities:

Beach Yoga: Discussed with Kristen options for advertising her yoga, she seems to have everything well under control. Glenn made some copies of her flier to pass out. It was decided that no donations for the class would be requested, they would just be free.

Hazard Mitigation Plan:

Kate wanted to know if there were any ways in which the town could strengthen its plan in regards to Covid-19 and future potential health emergencies. Glenn says the SB is discussing it

Update on broadband and the prospective development of a task force:

No updates since June. Seems like there are lots of opportunities out there, but there doesn't seem to be any areas where EPC can speed up the process.

Discussion of the Elmore General Store takeover:

The group has lost all momentum with the Covid19 situation. There may be renewed interest moving forward.

The 2 acres the Park does not want

The 2 acres on the corner of Beach Rd and Rt 12. Glenn will ask about that. Once it is confirmed that Elmore can purchase the property for \$1, the idea was floated to survey the town to see if there are any ideas of what Elmore could do with that property.

The next meeting is September 2, 2020 at 6pm. Location Elmore Town Office (socially distanced and preferably outside).

Agenda for 9/2/2020:

- The 2 acres at the corner of Beach Rd/Rt 12
- Municipal Planning Grant
- Any other updates?
