**Next meeting is May 5 at 5pm. Will be held outside at the town office (weather depending).
Agenda for May 5:**

- **Internet Update:** We are hopeful that there may be a new representative for Elmore to CV Fiber. There are options out there, potentially joining either Kingdom Fiber CUD or the Lamoille CUD. There is a lot of grant money available for the CUD's and anyone able to bring high speed internet to rural communities like Elmore.
- **Grant Opportunities:** None at this time
- **5K Run:** No grant opportunities at this time. Michelle suggested reaching out to some businesses that assisted last time. Michelle and Kate will begin contacting businesses. Currently, the effort is to raise enough funds for the timing and the timing chips. If there are extra funds, it was suggested that we subsidize runners. Kate will be at the next select board meeting to ask for how much funding the town will need to provide to the project.
- **Walking Path:** There are no new ideas of how to circumvent the property owner that does not want a walking path on their property.
- **Morrisville Town Plan:** Tabled for future reference.

Agenda for next meeting: 5:15pm on June 2nd at the town office

- 5k Run
- Internet Update
- Grant Opportunities?
